

CAGBA/ACAGR Registry Inspection Application

Goats must have a permanent form of ID in place before being inspected. This can be ear tags, tattoos, or microchips. Bring your reader if you are using microchips to verify the number. Goats must be at least 1 year old and have a minimum of 4" fleece length when inspected.

Inspection Fee of \$8 per goat for CAGBA members and \$16 per goat for non-CAGBA members must be included with this application
